

CONCORD TOWNSHIP BOARD MINUTES

The Concord Township Board met in the Meeting Room at the Concord Township Office on December 12, 2018.

Members present: Supervisor Al Cavasin, Treasurer Judy Clark, Clerk Sheryll Dishaw, Trustee David Miller and Trustee Jim Bush

Absent: None

Also Present: Ken Wyatt, Alan Tompkins County Commissioner, Naomi Carr, Aaron Losey and Deputy Jacobson.

The meeting was called to order by Supervisor Cavasin at 7:30 P.M.

Pledge of Allegiance was honored led by Clerk Dishaw.

Clerk Dishaw presented the board with the November 12, 2018 Concord Township Board minutes for approval. With no objections Supervisor Cavasin declared the minutes approved.

Public Comment:

Ken Wyatt asked about the pecking order for road repair by the County. Supervisor Cavasin explained about the process for routine maintenance, dusting, wedging, etc.

Commissioner Tompkins explained that the County Commissioners' agenda, minutes and meetings will be online. He also fielded questions about the purchase of semi new equipment, stating that hopefully, in the next 5-10 years we would have much improved roads; also about the Fairgrounds being renamed with the original name and his difficulty in attending all the various local governments' meetings.

Clerk Dishaw presented the Board with the bills for November 2018 in the amount of \$10,474.51. With no questions or objections Supervisor Cavasin declared the bills approved.

Reports:

Treasurer Clark gave the financial condition of the township, the revenues and expenditures for the month of November 2018.

Trustee Miller gave the Fire Report. Bills were paid for October in the amount of \$10,522.00. Fire Stabilization report showed a balance of \$160,281.04 at the end of October 2018. There were 27 runs in the month of October with a payroll of \$4,185.50. The new 800 MHz radios were received, but not up and running yet. Concord will be one of the test sites for the radios.

Deputy Larry Jacobson gave the Police report. He reported that there appears to be some improvement on the various blight locations around the township. The illegal kennel investigation is still on going. The new civil infraction tickets have arrived and are in use.

Trustee Bush gave the Planning Commission report from December 5, 2018. 2018. The Board will be reviewing at their January meeting a proposed ordinance to prohibit recreational marijuana establishments in the township. The Master Plan Survey data and aggregate reports have been completed and are now in the process of being reviewed. Orien Wetzel discussed upcoming board goals for 2019. Mr. Wetzel then submitted his resignation effective when his term ends in

December 2019.

With no objections, Supervisor Cavasin accepted the reports as presented.

Unfinished business:

None

New Business:

Treasurer Clark submitted needed budget amendments due to elections, audit, increased revenues in state funds and interest. Motioned by Dishaw, seconded by Miller to approve the amendments as presented. Roll Call Vote: Bush-Aye, Clark-Aye, Cavasin-Aye, Dishaw-Aye and Miller-Aye. Motion was approved.

Discussion was held on purchasing tablets and the necessary software for the Trustees to receive information from the Township Administration electronically. Motioned by Cavasin, seconded by Clark to approve the purchase of two tablets and software with the price of approximately \$300.00 each. Roll Call Vote: Miller-Aye, Dishaw-Aye, Cavasin-Aye, Clark-Aye and Bush-Aye. Motion was approved.

Board Member Comments:

Clerk Dishaw thanked Judy Clark for all her hard work and baking/cooking skills in the reception that she put together for retiring Treasurer Robert Jacokes.

Treasurer Clark explained why there were leaves still in the Cemetery and how Mr. Butters' crew was working to gather them. She also mentioned the Wreaths Across America ceremony that will be held on December 15th at noon. She also asked the Supervisor to check into a new phone system for the office, where each department would have their own line and voice mail.

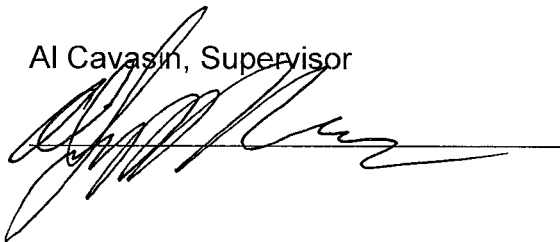

Supervisor Comments:

There were 38 total registrants for the Light Up Concord Contest. Winners were presented with their prizes at the Concord Library's Open House on December 7th with Ken Wyatt's help. There is money left over for next year after current bills have been paid. The email change is still in process. The civil infraction tickets came in at a price of \$75.00 instead of the expected \$800. He will be looking for a replacement for Mr. Wetzel, and that Mr. Wetzel's departure will slow up the process of digitizing the ordinances. The new website is functioning beyond expectations and any feedback would be appreciated. The Maple Grove Cemetery contract is up for renew and discussed keeping Mr. Butters as long as any price increase is reasonable. Cavasin gave thanks to all who helped with the Light Up Concord Contest and to our friend and former Treasurer Bob Jacokes whose retirement is now official.

Consent motion to adjourn at 8:23 P.M.

Al Cavasin, Supervisor

Planning Commission Board

December 5, 2018

7:30pm

1. Meeting called to order at 7:30pm by Orien Wetzel
2. Commission members present: Bill Carr, Jim Bush, Orien Wetzel, Bruce Lowstuter, and Candy McCorkle
3. Bill Carr moved to approve the minutes from the November meeting, Jim Bush supported and the motion passes.
4. Jim Bush moved to accept the agenda for December 5, 2018 meeting. Bruce Lowstuter supported and the motion passed.
5. Public Comment:
 - a. Al Cavasin, Township Supervisor shared that the Michigan Township Association shared an ordinance template for townships to use to prohibit recreational marijuana establishments. The board decided to table the review of the template to the January 9, 2019 meeting.
 - b. Al Cavasin also shared that the townships first annual Light Up Concord competition went well with 38 participants displaying holiday lights on their homes and businesses Tuesday, 12/4/18. The winners will be announced on Friday, 12/7/18 at the Jackson District Library Concord Branch Holiday Open House. Winners must be present to win.
 - c. Al Cavasin reported that the township now has its Civil Infraction tickets and that Officer Larry, Jackson County Sherriff Dept. has issued one Civil Infraction violation ticket to date.
6. Unfinished Business
 - a. Candy McCorkle shared that she was able to hire on behalf of the township a graduate student to compile the Master Plan Survey data and complete aggregate reports for the township and village's use in developing Master Plans. The report will be submitted to Candy McCorkle on 12/10/18 and will contain a report on the village data, township data, the undecided survey's in which individuals did not identify if they reside in the township or the village and an aggregate of all three sets of data. Candy will submit the report to the township office and the village

office by Tuesday, 12/11/18. Bo Klauth the graduate student working on the project will be paid once the reports are submitted.

7. New Business

- a. Orien Wetzel led the board in a discussion to identify the boards goals for 2019. The board identified as its two goals for 2019 the following:
 - i. Complete the Master Plan before the conclusion of 2019 so that it can be submitted to the state by 2020.
 - ii. Two review and revise two ordinances per/month. Each board member will take an ordinance to review and revise and submit to the board for the final review and vote. The township has approximately 35 ordinances with 6 of the 35 that were reviewed and revised in 2018. There are 29 ordinances that need to be reviewed and revised. Our goal is to complete 24 of the 29 remaining by the end of 2019.

8. Board Comments

- a. Bill Carr shared that he spoke with a friend from Marshall Township who has been approached by a solar energy company to lease farmland from him to install a solar farm. The information Bill's friend shared about the deal the company was offering was consistent with the information Orien Wetzel shared at the November meeting re: the solar energy company soliciting landowners in Albion Township.
- b. Jim Bush- No Comment
- c. Bruce Lowstuter asked if the township opted in to allow marijuana establishments would the township receive funds from the taxes collected. Al Cavasin and Orien Wetzel both responded that the township would receive revenues from the taxes however it is unclear how much on recreational marijuana because the State of Michigan has yet to determine that.
- d. Candy McCorkle- No Comment
- e. Orien Wetzel reviewed the goals for 2019 and reminded the board that January 9, 2019 meeting agenda would be full as it would include creating schedule to revise the ordinances, complete the Master Plan and elect officers as well as to appoint a new board member. Orien also shared that his term ends on 12/31/18 and that he would not seek a second term. He shared how much he has learned during his time on the board and that he has enjoyed working with each of us. He shared that he would be willing to serve on focus groups. The board unanimously thanked Orien for his service and leadership.

9. Jim Bush motioned to adjourn the meeting, Candy McCorkle supported and the motion passed. Orien Wetzel adjourned the meeting at 8:20pm

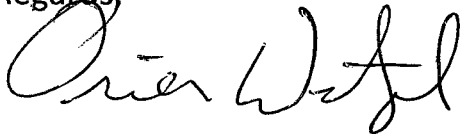

Respectfully Submitted by secretary:
Candy McCorkle

Affective 12/31/2018

To: Concord Township Board

More than five decades ago a Civics teacher asked his class that in order to understand how to be a citizen a person has to be involved within their community's government. That teacher taught us to be involved in local government without making a career in politics as other ideas need to surface. Our current Planning Commission has met the criteria as a progressive thinking diverse group of local citizens. With that being said I would like to thank the Concord Township for allowing me to experience local Government. It has been an honor to serve on the Planning and Zoning Commission for the past two years filling in for a past Commissioner's term. With the terms being a four year commitment, as of 12/31/2018 I believe the Township would be better served by having another citizen within our community express their diverse talent on the Planning Commission.

Regards

Fourteen calls came in to Central Dispatch when I was NOT on duty in November, which is a high amount (also including when I was in Las Vegas for a few days.) However, of those, 12 were car / deer crashes!!

Village residents - shoveling your sidewalk isn't fun and it's NOT good exercise! In fact, it can be quite dangerous... HOWEVER, YOU STILL HAVE TO DO IT!!
SIDEWALKS MUST BE CLEARED IN FRONT OF YOUR PROPERTY WITHIN 24 HOURS OF A SNOWFALL!

Along that same theme - village residents - there is no parking overnight in the street this time of the year for snow plowing!
