

**PERMIT AGREEMENT  
TOWNSHIP OF CONCORD  
121 Grove St. P.O. Box #236  
CONCORD, MICHIGAN 49237**

I, \_\_\_\_\_ hereby agree to abide by the terms and conditions set forth by Concord Township, in effect from time to time, in accordance with the requirements for all building permits.

- I understand that all permits have a specified number of inspections required; and if an inspection does NOT pass, I am required to purchase additional permit(s) for additional inspections until the work DOES pass.
- All permits/inspections are the same price and no inspection will be performed without a valid permit.
- I understand that should I fail to secure the necessary permits for any work done on my property, the Township may, at its discretion, issue a civil infraction and bill me for the permits required. Should I fail to make payment in a timely manner I understand these fees could be added to my property taxes.
- We are not assessors, surveyors or attorneys; any Zoning permit issued is provided based on your representations to us and any and all liability that may ensue is solely your responsibility.
- By accepting any permit from Concord Township you hereby release Concord Township and any and all of its officers, employees or elected officials from any liability which may arise, now or in the future from any efforts in regards to said permit(s).
- **Finally, all permits are to be completed within one year of the date of purchase, or customer must renew permit(s) at the current fees.**
